1955 AMERICAN RED CROSS FUND CAMPAIGN

1. The 1955 fund campaign for the American Red Cross will be conducted in this Agency from 1 March through 30 March 1955.

2. President Eisenhower, requesting support of this year's American Red Cross Fund Campaign, in his letter to the heads of executive departments, commissions, and agencies stated:

In peace and war, at home and abroad, the work of the American Red Cross symbolizes American courage and compassion. Through its broad program for civilians and the armed forces, services for American troops in foreign countries, relief work after flood, fire and hurricane, safety and nursing services -- in these and many other ways this organization tirelessly serves human needs. If each of us does his full share, this great humanitarian program will be a brilliant success.

3. The funds raised in the 1955 Campaign will be used to provide services to the American Armed Forces (at home and in foreign countries) and to returned veterans and their families; and to continue regular Red Cross services for civilian welfare. The goal of the campaign this year in the metropolitan area of Washington, D.C., is \$1,424,000.

4. Key persons have been appointed to solicit and receive contributions from personnel of designated organizational components. Checks should be made payable to the American Red Cross. Contributions should be forwarded through the appropriate designated collector to the Employee Services Division, Services Branch, room 1A16, Curie Hall, by 30 March 1955.

5. An outstanding record of generosity in this Agency would be a worthy goal for this year. Members of this Agency are strongly urged to support the 1955 American Red Cross Fund Campaign.
